- 
- ❑ We JP ENGITECH are reputed Supplier, Trader, Importer-Exporter for Industrial Electricals, Electronics, Process Instrumentation, Switchgear, Sensors, Automaton & HVAC Products, Industrial Safety Lighting
 - ❑ With more than a decade of experience in engineering field, we are the fastest growing organization
 - ❑ We offer wide range of products under one roof , so it is very convenient for our customer to get multiple products from single source & have peace of mind from handling multiple vendors .one stop solution for all your business needs
 - ❑ With our experience we are giving cost effective unique solutions with High Quality & Accuracy, Which can easily withstand all critical industrial conditions.
 - ❑ Each & every product / solutions is tested in house for its performance , quality, durability, repeatability, accuracy, mechanical strength ,all other required & necessary technical aspects
 - ❑ Vision : Company believes in providing fastest service with High Quality reliable Products & with leading edge solutions at Economic prices
 - ❑ Mission: To grow more & more with innovations, developments, customizations, adaptations & become a Global leader in field of industrial engineering with our strengths

- We have strong Customer base in below market Segments

- Ports & Shipping Industries ,container terminals, CFS, ICDs

- We are in Direct or Indirect business with all Major Ports In INDIA ,as below list

Mundra, Hazira , Dahej,Kandla,Tuna, Pipavav , JNPT ,Chennai, Cochin Port ,Krishnapatnam(AP), KamrajaEnnore(TN), DhamraPort (Odisha), Dighi Port, Gangavaram(AP), Kattupalli(TN), Tuticorin ,Mormugao

- Textile Business ,Textile processing Plants & Textile Endusers, Textile Making Machines

- Cranes & Hoists , Material Handling

- Power Generating Industries

- Wind Mills Steel

- making Plants

- Tyremanufacturers

- Machine Tools

- Packaging industries □ Special Purpose Machinery oems

Major Products

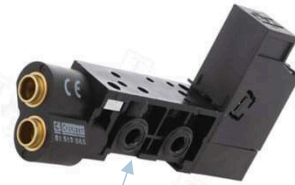

- Pneumatics : Textile POY & Winder machine Pneumatic spares, Valve, Solenoid ,Coil , Flow Restrictor etc
- Sensors, Machine & Heavy Duty Encoders, Joystick Controllers, Pull Rope , Belt Sway switches ,Relays, SSRs, Timers, Production/Hour Counters
- Machine Safety : Safety Switches, Safety Relays , Key Trap, Lock out System, Fork lift Red(Danger) Zone Lights
- Instrumentation: Pressure, Temperature Sensors / Gauges, Switches ,Transmitters, Indicators
- Switchgear: Timer,Counters,Limit, Position & Micro Switches, Contactors, Overload Relay, Breakers ,Fuses, IGBTs etc
- SIREN,BEACON, AVIATION LIGHTS ,Vehicle Bar lights , PA System ,Speakers
- Cooling Fans & Blowers, Special application fans , SMPS, Battery Charger
- Machine & Special Purpose Battery

POY /WINDER MACHINE SPARES (TEXTILE MILLS)

SOVs, Coils,

Limit switch valve

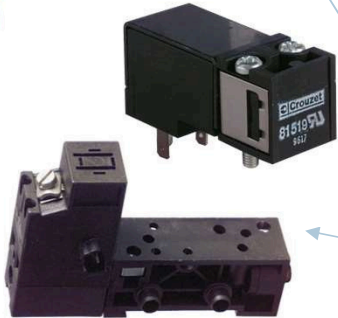

Sub Base

Flow Restrictors ,LDRs

CROUZET

Moulting Base,end /intermediate bases,

AND ,OR,NOT ,Timing elements

Coil, SOV, Base complete module

Application Examples with Photos

MULTI-BATTERY CHARGERS

Rotating Search Light

LARGE AXIAL FAN

SIREN WITH BAR LIGHT FOR SECURITY VEHICLES

LVDT positions sensors

Products for Crane, STS, RTG, etc

HEAVY Duty Encoder

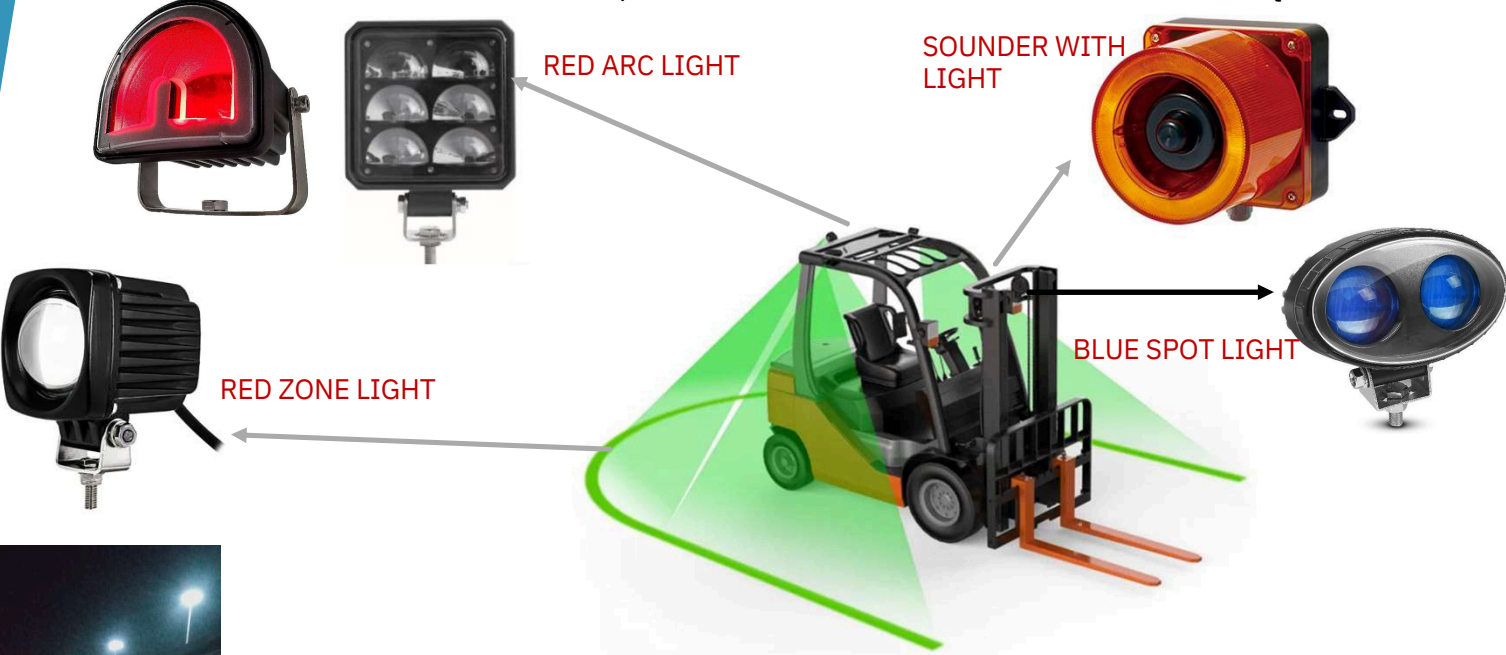

PRESSURE SENSORS

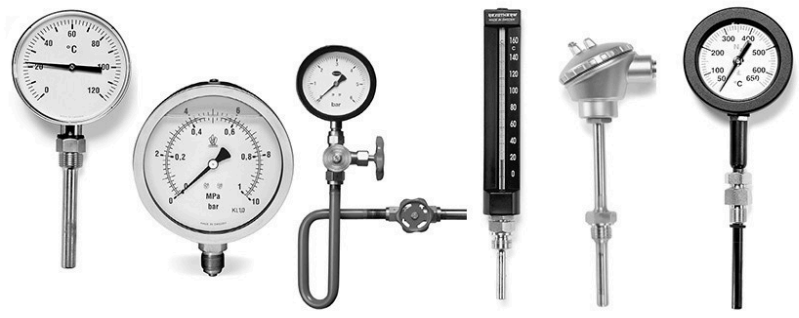

BEACON Light/SOUNDER

RED ZONE / HALO LIGHTS FOR MATERIAL HANDLING EQUIPMENTS

SITE PHOTOS

PROCESS INSTRUMENTATION , Pressure/ Temperature Gauges, Transmitter, Sensors

Pressure Transmitter

Cable Jointing Kit, cable Boots

MPDs(Motor Protection)

Some of Product Range

Blower,Fans

Industrial Relays Full Features System

- Relays & Contactors
- Time Relays
- Monitoring & Measuring Devices
- Sockets
- Remote Monitoring Controls
- Soft Starters

Sensors

fuse

Push Buttons

Panel Locks

SMPS

Joystick

Impulse // Hour Counters

PENDANT CONTROLLER

SAFETY RELAYS
